

2022 “King” of Ohio Inspection Itinerary

General Rules:

- Driver's car must be in the inspection line and the driver (Any person can run the car through but we highly recommend the driver only) must be signed in at the inspection table by assigned inspection time. Failure to do so will result in a \$100 fine
- Only the driver or person running the car through will be allowed in the inspection barn.
- All cars get 1 reinspection to pass. (One reinspection is defined as the second time through would be your reinspection, the next time through you will either be stuck or fail to pass and therefore be deemed illegal to participate in the show.)
- Any car that makes the feature will not be impounded and will be aloud to start working on their car immediately following their heat
 - Under no circumstance can any participating car, leave the grounds once you have been through inspection the first time.
- *Cars that pass first time in the King Class - Your Fix It Plates, and a welder will be provided in the impound barn
- Any car that makes the feature will be allowed to purchase 4 - fix it plates at the Triple Apparel tent, located beside the grandstands. You cannot paint these plates. They can be used in any way you see fit however if you cut anything you lose that piece, rather than being able to relocate it.
- You will be allowed unlimited #9 wire.
- If you are not re-teched and stuck by your allotted time you will not run.
- **Locations for all inspections - Listed at a later date**
